

Superintendent Review of District Goals

Governing Board of Trustees Meeting
May 22, 2024

Update Overview

- **Lever 1: *Learning Experience***
- **Lever 2: *Responsive & Caring Culture***
- **Lever 3: *Stewardship of Resources***
- **Lever 4: *Design Influence***

Lever 1

Learning Experience

Academic Achievement

- A Top Performing District in the State of California
- Top 1% in Language Arts & Mathematics
- World Language Program
- Special Education: High Performance on the California School Dashboard in both Language Arts & Mathematics

Two Frameworks

- Creating Cultures of Thinking
- The Essential Elements of Instruction

Teacher Leadership, Voice, & Choice

- Mathematics apprentices, Cultures of Thinking fellows, workshop presenters

Lever 2

Responsive & Caring Culture

Student Well-Being

- Multi-tiered System of Support - Counselors and Instructional Staff support students' social-emotional well-being

Diversity, Equity, & Inclusion

- All district staff have participated in professional learning around diversity, equity, and inclusion to ensure every child receives equitable access to a quality education in order to develop their full academic potential and prepare children and adults to thrive in a diverse society
- Parent learning events
- District Diversity, Equity, & Inclusion Advisory Team has continued to provide input on the District's work

Focus Groups

- Hearing the voices of students of all ages, backgrounds, and experiences in a variety of feedback opportunities
- Supporting staff with what they need in their role

Lever 3

Stewardship of Resources

Strategic Partnerships & Professional Affiliations

- Impact on the school experience
- Ron Richhart
- Harvard Project Zero
- Code to the Future
- UCSD & SDCOE

High Quality Professional Learning

- Investment in staff expertise and best practices

Short & Long Term Budgeting for District Priorities

- STEAM+
- Small class Sizes
- Other district programs identified through strategic planning

Reduction in Waste & Increased Recycling

- Green Teams at every school

Building & Modernization

- Strong fiscal planning & management
- Completed projects
- Ongoing projects

Child Nutrition Services Department

- 100% in-district program
- District kitchen prepares, delivers, and serves meals
- Quality, trained staff, including, a credentialed dietician

Lever 4

Design Influence

The Role of the Student & The Role of the Teacher

- Districtwide community of practice
- Develop leadership capacity and utilize teacher leadership

Purposeful, Engaging Learning, Innovating Thinking, & a Compelling Curriculum

- Support student engagement and choice within learning environments, subject matter, learning approach, learning pace, and how they demonstrate understanding

Upgrades/Improvements to Promote Learning

- Identify indoor & outdoor spaces that are under utilized and/or needing improvement

Thank you!
It's been a great year!
