### What is EAP, anyway?

You may have heard about EAP but aren't sure what it is. EAP is a service available to you and members of your household at no extra cost. It's designed to help you with everyday problems and questions, big or small. No need to fill out paperwork or make an appointment to speak with an EAP staff member. Just call 800-999-7222 or visit [anthemeap.com](http://anthemeap.com). You'll be connected in an instant. We're here 24 hours a day, every day, to help you.

### How we can help

When you or a household member contacts us, we'll work with you to figure out the next steps. If you need counseling, we can arrange up to 6 free visits with licensed professionals. If you have financial or legal questions, we can put you in touch with a financial advisor or a lawyer.
