

**DEL MAR UNION SCHOOL DISTRICT
PARENT/GUARDIAN HEALTH AND SAFETY AGREEMENT
FOR THE 2021-2022 SCHOOL YEAR**

I have read, understand, and agree to the following terms and conditions:

1. **COVID-19 Plan.** Parent/Guardian acknowledges that he/she has received and reviewed the District's COVID-19 Health and Safety Plan, which is available online:
<https://www.dmusd.org/documents/Safe-Reopening-Plan/DMUSD-Health-and-Safety-Plan-2021-2022.pdf>

Parent/Guardian agrees to review the District's COVID-19 Health and Safety Plan with his/her child(ren), including:

- a. Face Coverings
- b. Physical Distancing
- c. Lunch/Recess
- d. Healthy Hygiene

In order to prevent the spread of COVID-19, the District will also review these rules and protocols with students throughout the school year.

2. **Daily Home Health Screening of Child(ren).** Parent/Guardian agrees to screen his/her child(ren) for COVID-19 before taking child(ren) to school each day. Specifically, Parent/Guardian agrees to do all of the following:
 - a. Parent/Guardian shall screen child(ren) for any of the following symptoms associated with COVID-19: dry cough, shortness of breath or difficulty breathing, chills, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, or a new rash. Parent/Guardian agrees that if child(ren) presents with any of these symptoms, Parent/Guardian will not send child(ren) to school.
 - b. Parent/Guardian agrees that if child(ren) has a fever of more than 100 degrees, Parent/Guardian will not send child(ren) to school. Parent/Guardian further understands and agrees that his/her child(ren) will not be sent to school if child(ren) has been administered medication for the purpose of reducing a fever within the last 24 hours.
 - c. Parent/Guardian will immediately notify the school if his/her child(ren) is exposed to a confirmed positive case of COVID-19. Parent/Guardian understands that his/her child(ren) will not be able to return to school until permitted by the District in compliance with direction from the San Diego Health & Human Services Agency and the San Diego Public Health Order.

3. **Health Screenings at School.** Parent/Guardian understands and agrees that all students will be monitored throughout the day for signs or symptoms of COVID-19. Any student exhibiting symptoms of illness throughout the day will be sent home.
4. **Face Coverings.** Parent/Guardian understands and agrees that unless exempt, students in grades K – 6 must wear face coverings indoors. Parent/Guardian understands and agrees that his/her child(ren) may be excluded from school if they refuse to wear a face covering consistent with the rules set forth in the District’s COVID-19 Health and Safety Plan.
5. **Exhibiting Symptoms at School.** Parent/Guardian understands and agrees that if his/her child exhibits COVID-19 symptoms during the school day, Parent/Guardian will pick his/her child(ren) up from school as soon as reasonably possible but no later than within one hour after being notified by the school. When Parent/Guardian arrives to school, Parent/Guardian will call the school office and remain in his/her vehicle.
6. **Disclosure to Help Prevent Community Spread of COVID-19.** Parent/Guardian understands and agrees that if his/her child(ren) tests positive for COVID-19 or if the District otherwise reasonably suspects his/her child(ren) is infected with COVID-19, the District is required to notify the San Diego Health & Human Services Agency. Additionally:
 - a. In order to conduct contact tracing, the District may be required to contact the child(ren)’s close contacts at school who may have been exposed to the virus. To protect student privacy, the District will only inform close contacts that they may have been exposed to someone with the infection. The District will not disclose the identity of the child(ren) who may have exposed them.
 - b. To help protect against community spread, the District will be performing its own contract tracing. Parent/Guardian agrees for the District to ask his/her child(ren) and Parent/Guardian questions about everyone within the school community who child(ren) may have had close contact with during the timeframe they may have been infectious.
7. **Nondiscrimination.** The District prohibits discrimination against any student who has been diagnosed with COVID-19, whose family member has been diagnosed with COVID-19, or who is perceived to be a COVID-19 risk. If you feel your child(ren) is being discriminated against as a result of COVID-19, please notify the District immediately.
8. **Responsibility to Quarantine.** Parent/Guardian understands that the District may direct his/her child(ren) to quarantine either because his/her child(ren) is suspected of having COVID-19 or because his/her child(ren) has been in close contact with someone suspected of having COVID-19. If directed to quarantine, Parent/Guardian understands and agrees to the following:

- a. Students who are required to quarantine may not return to in-person instruction until permitted to do so by the District in compliance with direction from the San Diego Health & Human Services Agency and the San Diego Public Health Order.
9. **Visitors.** Parent/Guardian understands that due to the current public health emergency, nonessential visitors will not be permitted to be on campus. Only staff, students and essential visitors may access campus.
